

# 35th M. Smoluchowski Symposium on Statistical Physics

## Saturday, 17 September 2022

### Saturday session: B1 - Opening Session (14:45 - 15:45)

time	[id] title	presenter
14:45	[46] Welcome address	
15:00	[9] Linear response and fluctuation-dissipation relations for stochastic processes under resetting	SOKOLOV, Igor

### Saturday session: B2 (15:55 - 16:45)

time	[id] title	presenter
15:55	[18] Learning from onion to balance between order and chaos	KRZEMIEN, Leszek
16:20	[25] Stability of gene expression patterns in developmental systems with dynamic morphogen sources	MAJKA, Maciej

### Saturday session: B3 (17:15 - 18:05)

time	[id] title	presenter
17:15	[44] Multimodal approach in research on DNA damage	SOFINSKA, Kamila
17:40	[2] Statistical mechanics of adaptive neural networks: Explaining coexistence of avalanches and oscillations in resting human brain	LOMBARDI, Fabrizio
