

36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

Sunday, 24 September 2023

Session 1 (16:00 - 17:30)

time	[id] title	presenter
16:00	[75] Heterogeneity, long-range correlations, and ageing in diffusion	METZLER, Ralf
16:40	[32] Diffusion with time changing Hurst exponent	SLEZAK, Jakub
17:05	[58] Non-equilibrium criticality in the synchronization of lattices of self-sustained oscillators	Prof. GUTIERREZ, Ricardo
