

36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

Sunday, September 24, 2023

Session 1 (4:00 PM - 5:30 PM)

time	[id] title	presenter
4:00 PM	[M5] Heterogeneity, long-range correlations, and ageing in diffusion	METZLER, Ralf
4:40 PM	[M2] Diffusion with time changing Hurst exponent	SLEZAK, Jakub
5:05 PM	[M8] Non-equilibrium criticality in the synchronization of lattices of self-sustained oscillators	Prof. GUTIERREZ, Ricardo
