

36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

Monday, 25 September 2023

Session 4 (14:00 - 15:30)

time	[id] title	presenter
14:00	[71] Generation of rare events in stochastic systems	TORAL, Raul
14:40	[45] Catalytically optimized search strategy	Dr LANOISELÉE, Yann
15:05	[41] Controlling Uncertainty of Empirical First-Passage Times in the Small-Sample Regime	BEBON, Rick
