

36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

Tuesday, 26 September 2023

Session 6 (09:00 - 10:30)

time	[id] title	presenter
09:00	[63] Mean field theory of memristive systems and nanowires	CARAVELLI, Francesco
09:40	[89] Stochastic resonance in memristors	GÓRA, Paweł
10:05	[61] Global in time existence theorem for the full revised Enskog equation	Prof. POLEWCZAK, Jacek
