

36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

Tuesday, 26 September 2023

Session 7 (11:00 - 12:30)

time	[id] title	presenter
11:00	[76] The cost of stochastic resetting	EVANS, Martin
11:40	[7] Ensemble dependence of the critical behavior of a system with long range interaction and quenched randomness	SCHREIBER, Nir
12:05	[17] Ensemble dependence of information-theoretic contributions to the entropy production	Dr PTASZYŃSKI, Krzysztof
