

# 36th M. Smoluchowski Symposium on Statistical Physics: Soft Matter, Information Processing and Nonequilibrium Fluctuations

## Thursday, 28 September 2023

### Session 14 (10:45 - 12:15)

time	[id] title	presenter
10:45	[73] Random walks in correlated diffusivity landscapes	SOKOLOV, Igor
11:25	[55] Statistical properties of random advection-diffusion	PIKOVSKY, Arkady
11:50	[28] Dynamical phase transition in the fluctuations of occupation fraction of N non-crossing Brownian particles	MUKHERJEE, Soheli
