

37th M. Smoluchowski Symposium on Statistical Physics

Tuesday, 17 September 2024

Session 4 (10:00 - 11:30)

time	[id] title	presenter
10:00	[27] Modeling mutations, drift, selection, and genome transformations in carcinogenesis	KIMMEL, Marek
10:40	[14] Inference of developmental processes and gene expression programs from single-cell multimodal data.	Dr TABAKA, Marcin
11:00	[4] Radiation adaptive response: the biophysical phenomenon and its theoretical description	FORNALSKI, Krzysztof
