

37th M. Smoluchowski Symposium on Statistical Physics

Wednesday, 18 September 2024

Session 7 (10:00 - 11:30)

time	[id] title	presenter
10:00	[30] Extreme robustness of subdiffusion as described by a generalized Langevin equation.	SOKOLOV, Igor
10:40	[12] Giant enhancement of free particle transport induced by active fluctuations	BIAŁAS, Karol
11:00	[1] Dissipation bounds precision of current response to kinetic perturbations	PTASZYŃSKI, Krzysztof
