

39th M. Smoluchowski Symposium on Statistical Physics

Thursday, 24 September 2026

Session 4: Session 4 (09:00 - 11:00)

time	[id] title	presenter
09:00	[9] The real butterfly effect: from the pop culture to mathematics and physics	Prof. VULPIANI, Angelo
09:30	[14] Burgers equation and the Fermi-Pasta-Ulam-Tsingou lattice	RUFFO, Stefano
10:00	[6] Observers, fluctuations and fluctuation theorems	CARAVELLI, Francesco
10:30	[5] Formal Fluctuation-Response Relations for Non-Stationary Systems	SOKOLOV, Igor
