

# 30th Marian Smoluchowski Symposium on Statistical Physics

## Monday, 4 September 2017

### Session 1 - Aula (11:00 - 12:30)

-Conveners: Ewa Gudowska-Nowak

| time  | [id] title  | presenter       |
|-------|---|-----------------|
| 11:00 | [60] Entropy facilitated active transport   | RUBI, J. Miguel |
| 11:30 | [37] (Quantum)-Thermodynamics at strong coupling and its implications for Stochastic Thermodynamics | HÄNGGI, Peter   |
| 12:00 | [153] Life at the edge, complexity and criticality in biological function                           | CHIALVO, Dante  |
